COLLECTIVE BARGAINING AGREEMENT

PREAMBLE

This collective bargaining agreement is entered into between the County of Cook and the Sheriff of Cook County joint employers of employees covered by this Agreement (hereinafter collectively referred to as the "Employer") and the Illinois Fraternal Order of Police Labor Council (hereinafter referred to as the "Union" or "Labor Council").

ARTICLE I **Recognition**

Section 1.1 Representative Unit:

Pursuant to the certification March 14, 2018 by the Illinois State Labor Relations Board, Case No. L-RC-18-015. The Employer recognizes the Union as the sole and exclusive representative for all employees of the Employer in the job classifications set forth in Appendix A of this Agreement and excluding all confidential employees, technicals, professionals, supervisors, managers, seasonal employees, all industrial relations and personnel department employees. All other employees of the County of Cook; or short-term employees as defined in the Illinois Public Labor Relations Act; and all other persons excluded from coverage under the Act.

The term "Department" when used in this Agreement shall be understood as referring to the Communications Department of the Sheriff's Police Department; Vehicle Service Department of the Department of Administrative and Support Services.

Section 1.2 Union Membership:

The Employer does not object to Union membership by its employees, and believes that certain benefits may inure from such membership.

Section 1.3 Dues Check-off:

With respect to any employee from whom the Employer receives individual written Dues Authorization Form (Appendix D), signed by the employee, in a form agreed upon by the Union and the Employer, the Employer shall deduct from the wages of the employee and shall forward such amount to the Union within thirty (30) calendar days after close of the pay period for which the deductions are made. The amounts deducted shall be set by the Union, and the Employer shall continue to retain a service charge of five cents (5¢) for making each such deduction.

Section 1.4 Indemnification:

The Union shall indemnify and save the County harmless against any and all claims, demands, suits, or other forms of liability that may arise out of or by reason of any action taken by the County for the purpose of complying with any provisions of this Agreement. If an incorrect deduction is made, the Union shall refund any such amount directly to the involved employee.

ARTICLE II

Employer Authority

Section 2.1 Employer Rights:

The Union recognizes that the Employer has the full authority and responsibility for directing its operations and determining policy. The Employer reserves unto itself all powers, rights, authority, duties and responsibilities conferred upon it and vested in it by the statutes of the State of Illinois, and to adopt and apply all rules, regulations and policies as it may deem necessary to carry out its statutory responsibilities; provided, however, that the Employer shall abide by and be limited only by the specific and express terms of this Agreement, to the extent permitted by law.

Section 2.2 Employer Obligation:

The Union recognizes that this Agreement does not empower the Employer to do anything that it is prohibited by law.

Section 2.3 Integrity of the Bargaining Unit:

Non-bargaining unit employees shall not be permitted to perform bargaining unit work except in emergency situations, in training situations where a supervisor, or management personnel is teaching or instructing an employee, or where bargaining unit members are unavailable through no fault of the Employer to perform required work other than with normal absenteeism and vacations, or where circumstances exist which are out of the ordinary and beyond the control of the Employer. However, it is expressly understood and agreed that no outside agency shall perform Sheriff Telecommunication work.

If non-bargaining unit employees repeatedly perform bargaining unit work, this issue shall immediately be grieved at the first step of the grievance procedure.

Section 2.4 Union and Employer Meetings:

For the purpose of conferring on matters of mutual interest which are not appropriate for consideration under the grievance procedure, the Union and Employer agree to meet periodically through designated representatives at the request of either party and at mutually agreed upon times and locations. The Union and Employer shall each designate not more than three (3) representatives to a Labor-Management committee for this purpose.

Section 2.5 Labor Management Meetings on Career Development:

Labor Management meetings will be held periodically to discuss employee training and education as well as job classifications. The Employer and the Union recognize the importance of training programs, the development of career ladders and of equitable employment opportunity structures and seeks here to establish these goals through labor management meetings.

Toward this end, the Employer and the Union agree to establish a Labor/Management Committee. This committee shall review all training programs, their implementation and application to bargaining unit Sheriff employees.

The Labor Management Committee shall evaluate, discuss and recommend reclassifications and upgrades to the Sheriff. These recommendations shall be reviewed by the Sheriff, and if possible, any changes will be requested in the following fiscal year budget. The Labor Management Committee may also make recommendations to the Sheriff and the County concerning courses and in-service training to enhance career opportunities for employees

in the bargaining Unit. When meetings are scheduled, a specific management representative will be assigned to attend the meetings.

Section 2.6 Union and County Meetings Respecting Health Care:

For the purpose of maintaining communications between labor and management in order to cooperatively discuss issues respecting health care coverage for all County employees, each Local Union, the County and members of bargaining units not covered by this Agreement shall meet quarterly through designated representatives. Each Local Union shall designate not more than one (1) representative to the Health Care/Management Committee. The County, through its Office of Risk Management, shall prepare and submit an agenda to the other parties at least one (1) week prior to the scheduled meeting, in which the agenda shall address, among other things, issues raised by each Local Union to the Office of Risk Management. The date and location for such meetings shall be established by the Office of Risk Management, taking into account the scheduling concerns of all County bargaining units.

ARTICLE III

Vehicle Service workers at 23rd and Rockwell and LaGrange Facility shall be allowed to choose shift assignments, hours of work and location according to their length of seniority within the Vehicle Service Department.

	<u>9:00 a.m. - 5:00 p.m.</u>

- C. Employees shall be paid every two weeks (bi-weekly).

Section 3.3 Compensatory Time and/or Overtime Compensation:

- A. Employees may be assigned to overtime work provided that such overtime shall be limited to either emergency conditions which cannot be deferred and which cannot be performed with the personnel available during normal work hours, or because of an abnormal peak load in the activities of the institution or department. Absent emergency operations, Telecommunicators should not work more than sixteen (16) hours in any twenty-four (24) hour period. If a sixteen (16) hour shift occurs and absent emergency operations, the impacted telecommunicator shall have a minimum of eight (8) hours off between the end of the sixteen (16) hour shift and the next scheduled work shift.
- B. An Employee shall be paid one and one-half (1+1/2) times the average of the employee's regular hourly rate (including any differential) for all hours worked in excess of eight (8) in any regular work day, or over forty (40) in any regular work week. Employees shall not be laid off from their regular scheduled hours of work to avoid payment of overtime.
- C. The Employee may request and the Employer may, in lieu of overtime pay, grant compensatory time off at the rate of one and one-half (1.5) hours for each hour of overtime worked. All denials of a request shall be accompanied by a written explanation.

At the employee's option, overtime will be made in the form of compensatory time off or pay..

- D. An Employee may "bank" up to 240 hours (6 weeks) of compensatory time. All overtime hours worked above this limit must be compensated for in accordance with subsection B of this section 3.3.
- E. An Employee terminating employment with the County shall be paid for unused compensatory time in accordance with the Fair Labor Standards Act (FLSA).

- F. The Employer shall allow employees to take accrued compensatory time off within a reasonable period after making the request when such time off does not unduly disrupt the operation of the office.

In an emergency situation, an employee shall be able to take accrued compensatory time off without coming into work to stamp a time card. This access to compensatory time off shall not be denied in a capricious, arbitrary or discriminatory manner.

Compensatory time off may be used in time blocks of one (1) hour or more at a time mutually agreed to between the employee and his/her supervisor. Excluding scenarios covered by and applicable to the three (3)-hour call in for Telecommunicators and one (1) hour call-in for vehicle services to the medical call-in-line, if a request for time off is submitted within twenty-four (24) hours or less of the shift start time, the time off will not be guaranteed.

- G. Payment for overtime work shall generally be in the next pay period following the pay period in which the overtime was worked. However, when the overtime account runs short and the Sheriff must go the County Board for transfer approval of additional funds to cover worked overtime, the Sheriff will notify the Union of the current state of the overtime and will report when the Board is to approve the additional overtime.

Section 3.4 Overtime Work Distribution (Telecommunications):

- A. Definition of an emergency shall be whenever there is one (1) person less than the amount of mandatory positions, set by management. If the staffing levels falls below the minimum level, set by management, and a Telecommunicator is unable to take a lunch/break then the Telecommunicator will get 1.5 hours compensatory time or pay. Extra backup positions will be used to cover lunch/break periods. Minimum staffing levels and mandatory positions will be set by management in order to cover the centers needs and may change depending on the need to staff Roadside Safety Checks, Community Resource Response Initiative (CRR), Sheriff's Office Initiatives (SOI), Sex Offender Operations, or any other type of operation, position or incident where the 911 center is a needed resource. Management may schedule additional backup positions, call taker positions, training assignments etc. These positions will be above the minimum staffing when two employees are already granted the day off, when available. On common Mondays, under the 21-day rotation, these positions will be above the minimum staff when four employees shall be granted the day off. If extra staff has predetermined training assignments, then only two employees will be granted the day off. The Director or designee may grant additional time off over two employees based on operational needs. If there is a medical call off, these employees can then be assigned back to a floor position from training assignments. A medical call in would not necessitate a hire back in a situation where an extra employee is assigned.
- B. Overtime distribution shall occur in the following manner:
1. An overtime list shall be posted for all watches and shifts; posted in a binder at the supervisor station for all employees who desire to be on the overtime call out list. Employees who desire to be called for available overtime on those watches and shifts shall submit a memorandum to the Department Head/designee.
 2. All overtime notices will be made via County notification system that is currently in place. On the first posting of overtime opportunities, management shall reorder the list by seniority. Overtime

opportunities shall be first offered to the person on the top of the list. After the person is offered the overtime, the list will note date of overtime worked and the name will go to the bottom of the list. If the person does not volunteer to work the overtime opportunity, their decline will be noted and their name will go to the bottom of the list. The list will then restart to the next person under the last person that took overtime.

3. Notification will be sent out for overtime in which employees will have ten (10) minutes to respond, to accept overtime. When a 911 Telecommunicator takes the overtime the next person on the list shall be the first person offered the next overtime and so on. When attempting to fill a shift, the practice of finding a person to take all eight (8) hours or finding two (2) people to take four (4) hour blocks will be continued accepted practice. Should all employees on the list refuse, then the least senior employee must stay in accordance with the force list. However, this employee will not be compelled to work more than four (4) hours overtime per shift in addition to their regular shift. All overtime two (2) hours or less will not count as the 911 Telecommunicators turn on the overtime list and will be on a first come first choice based on seniority if more than one (1) employee wants it at the same time. Both parties agree that any Telecommunicator who has already volunteered for overtime cannot have compelled, or forced, overtime added to that voluntary overtime. No Telecommunicator can be compelled to stay longer than twelve (12) total hours; eight (8) hour regular shift plus four (4) hours of overtime voluntary or forced. Both parties also agree that only Telecommunicators serving on their scheduled work day can be compelled, or forced, to work additional hours. No Telecommunicator who is working voluntary overtime may have additional overtime forced upon them. No Telecommunicator will be forced to work additional hours if it prevents a minimum of twelve (12) hours between their forced overtime and adjoining regularly scheduled shift. Each shift will create and maintain a rotating force list.

4. The force list will be maintained in conjunction with the bidded calendar year and will start over at the next years shift bid. The force list will be in reverse seniority based upon Telecommunicator seniority. Once an employee is forced or volunteers to take overtime in a force situation, they will be moved to the bottom of the force list. The original forced Telecommunicator will have first the option to accept the force or put it up to all other Telecommunicators who will then be able to take the forced four (4) hours of overtime in order to move themselves to the back of the overtime force list. If no one takes the force, the original Telecommunicator is compelled. The force list will be maintained by the Supervisor of that shift. This Supervisor will work with the Unit President to oversee the force list and review it. As each shift has their own force lists, only members of that shift may be forced over to the next shift or in early from a following shift. Telecommunicators on adjusted hours, swapped shifts, or overtime on their regular days off cannot be forced. The rotating force list system may be reviewed and adjusted through future Labor Management Meetings with agreement of the parties. A force shall be completed once a member has worked for any amount of time after their regular scheduled work hours.

5. If an employee accepts overtime, they will be considered in an on-duty status for the period of that overtime. Failure to report for duty at the committed time or cancellation within twenty-four (24) hours prior to the overtime, will result in removal from the overtime call out list in the manner set forth below:

1st offense in a twelve (12) month period:

Removal from the overtime list for the following calendar month
(1st through 1st of the month).

2nd or any subsequent offenses in a twelve (12) month period:
Removal from the overtime list for three (3) following calendar months (1st through 1st of the months).

6. Overtime for Vehicle Services Man will be by rotating seniority for each facility; starting with the most senior to the least senior.

Section 3.5 Lunch Breaks:

- A. Telecommunications: When a watch commander approves employees' time cards because of shortages on the shift, those employees shall receive 1.5 hours overtime in lieu of lunch. Management shall not over-ride the decision of the watch commander by later denying the overtime after the employees have already given up their lunch.

When an employee must work at least five (5) hours of the shift to earn a ½ hour lunch and six (6) hours of the shift to earn an hour's lunch.

- B. Electronic Monitoring Technicians: When a watch commander approves a technician to work during his or her lunch period that technician shall be compensated 1.5 hours in lieu of lunch. An employee must work at least five (5) hours of the shift to earn a ½ hour lunch and six (6) hours of the shift to earn an hour lunch.

Section 3.6 Flextime:

Any employee in the bargaining unit may make arrangements with the Sheriff/Designee for a schedule that provides for early or late arrival or departure with the permission of the Telecommunicator Supervisor. Flextime shall not be granted or denied in a discriminatory or arbitrary manner.

Union Stewards can attend labor-management meetings, Union meetings (one (1) person once a month with adequate advance notice) and grievance hearings on County time.

Section 3.7 Acting Watch Commander:

Any bargaining unit employee who is qualified and required to perform the duties of a watch commander shall be compensated an additional ½ hour if they perform as a watch commander for four (4) or less hours and additional one (1) hour if they perform as a watch commander for more than four (4) hours. This does not apply to civilian supervisors.

Section 3.8 Breaks for Holdovers:

If a regular bargaining unit member works an additional four (4) hours past their regular eight hour schedule, that individual shall receive an additional thirty (30) minute lunch/break included within those four (4) hours. If a bargaining unit member works an additional eight (8) hours past their regular eight (8) hour schedule, that individual shall receive an additional one-hour (1) paid lunch/break included within those eight (8) hours.

Section 3.9 Trading Shifts

Telecommunicators are permitted to switch shift hours from one (1) hour to a full shift with another Telecommunicator. Shift trades shall comply with the shift trade agreement form. Should a shift trade result in the creation of additional overtime, the employer shall have the option to discontinue the practice of allowing shift trades going forward.

ARTICLE IV

Seniority

Section 4.1 Probationary Period:

After the date of this Agreement, the probationary period for a new employee, or an employee hired after a break in continuous service, shall be one hundred eighty (180) calendar days for Vehicle Service Man and Vehicle Service Technicians II (three hundred and sixty-five (365) for Telecommunications). The probationary period shall be extended for a period equal to the time required for any formal training program required of any probationary employees and the Union shall be consulted about the instituting of any such training program which extends the probationary period. During the course of the probationary period the employee is eligible for assignment to any watch hours. A probationary employee is not eligible for shift bids during the probationary period. A probationary employee shall have no seniority and may be terminated at any time during the probationary period for any just cause and shall have no recall rights or recourse to the grievance procedure with respect to any such discipline or discharge. Upon completion of the probationary period, the employee's seniority shall be computed as of the date of his/her most recent hire.

Section 4.2 Definition of Seniority:

- A. Except for benefit accrual (weeks of vacation earned and pension) the application of seniority is by length of time in the Communications Department of the Sheriff's Police Department.
- B. Except for benefit accrual (weeks of vacation earned and pension) the application of seniority in the Vehicle Services Department is by length of time in the Vehicle Services Department.

Section 4.3 Promotion, Transfers:

In cases of promotion and transfer, employees shall have first preference in order of their department seniority, (Communications Department, Vehicle Service Department), provided that the employee has the ability and qualifications to perform the required work.

Section 4.4 Reduction in Work Force, Layoff and Recall:

A layoff is defined as the termination of employee's employment with a right of recall for a period of twelve (12) months following the effective date of the layoff for an employee with fewer than twelve (12) months of seniority. Employees with twelve (12) or more months of seniority, recall rights will be for a period of twenty-four (24) months following the effective date of the layoff. Should the Employer determine that it is necessary to decrease the number of employees within a job classification, within a department, the employees to be laid off in that classification shall be removed from it in inverse order of department seniority. Prior to any full-time employees being laid-off, all probationary staff, and part-time employees will be laid off first before any full-time staff covered by this Agreement are laid off. Employees and the Union shall be given written notice thereof at least thirty (30) calendar days prior to the effective date. Employees laid off as a result of this procedure shall be subject to recall in order of seniority before new employees are hired in the classification held by them at the time of the reduction in force.

Section 4.5 Shift Assignment:

Telecommunicators shall be allowed to choose shift assignment according to their length of seniority within the Communications Department. There shall be a rebidding for shift assignments annually November 1st of each year, effective 2019. The shift assignment shall go into effect starting the first full pay period in January. The Unit President shall participate in conducting the shift and vacation bids with the Telecommunicator Supervisor or

designee. The Employer, prior to shift bids, will provide the number of available positions for bidding and the number of vacant positions within the Department for each shift to the Unit President.

Vehicle Service workers shall be allowed to choose shift assignment work hours and location according to their length of seniority within the Vehicle Services Department. There shall be a rebidding for shift assignments annually November 1st of each year effective 2019. The shift assignment, work hours and location shall go into effect the first full pay period in January. The Employer, prior to shift bids, will provide the number of available positions for bidding and the number of vacant positions for each facility to the Unit President.

Section 4.6 Return to Former Job:

An employee who has been promoted or transferred to another job within the represented unit may be returned by the Employer to his/her former job or an equivalent position, within thirty (30) calendar days or before completion of a formal training program, if the employee does not demonstrate the ability and qualifications to satisfactorily perform the job to which promoted or transferred. An employee who has accepted another job within the represented unit may ask to return to his/her former job within ten (10) working days after commencing work on the new job.

Section 4.7 Termination of Seniority:

An employee's seniority and employment relationship with the Employer shall terminate upon the occurrence of any of the following:

- Resignation or retirement;
- Discharge for Just Cause, including but not limited to the following:
 1. Absence for three (3) consecutive work days without notification to the department head or a designee during such period of the reason for the absence, unless the Employee has an explanation acceptable to the Employer for not furnishing such notification;
 2. Failure to report to work at the termination of a leave of absence or vacation, unless the employee has an explanation acceptable to the Employer for such failure to report for work;
 3. Absence from work because of layoff or any other reason for six (6) months in the case of an employee with less than one (1) year of service when the absence began, or twelve (12) months in the case of all other employees, except that this provision shall not apply in the case of an employee on an approved leave of absence, or absent from work because of illness or injury covered by duty disability or ordinary disability benefits or military leave;

Section 4.8 Transfer of Stewards:

Employees acting as Union stewards shall not be transferred from their job classifications or departments because of their activities on behalf of the Union. Any transfers of Union stewards from their job classifications or departments, other than in an emergency, will be discussed with the Union in advance of any such transfers.

Section 4.9 Seniority List:

On December 1 and June 1 of each year the Employer will furnish the Union an electronic list showing the name, JDE number, address, classification and last hiring date of each employee, and whether the employee is entitled to seniority or not. The Employer shall post a similar list without employee addresses on bulletin boards designated for employee notices. Within thirty (30) calendar days after the date of posting, an employee must notify the Employer in writing of any error in his/her last hiring date as it appears on that list or it will be considered correct and binding on the employee and the Union for that period of time.

The Union shall, upon request, receive such information on computer tapes, where available via electronic format.

Section 4.10 Job Posting:

When job openings or vacancies occur within the bargaining unit in a particular department, or when new positions are created, the Employer will post a notice on all bulletin boards where notices to employees are normally posted. These postings will be for a period of ten (10) working days.

Interviews for the positions shall be held within a reasonable time of the last day of posting. The positions shall be filled within sixty (60) days of the last interview, where the budget permits.

Employees within the department where the vacancy occurs will be given preferential consideration for promotion to a higher paying position in accordance with Section 4.3. Employees in equal or lower paying grades in other departments or divisions who apply for the vacancy will be given preferential consideration in accordance with Section 4.3 before new employees are hired.

Employees who are awarded the new position shall move to their new position as soon as possible thereafter.

Section 4.11 Return to Represented Unit:

An employee who has been promoted or transferred out of the represented unit, and who is later transferred back to the unit by the Sheriff shall upon return to the represented unit be granted the seniority he/she would have had, had the employee continued to work in the classification from which he/she was promoted or transferred. Any employee so returned shall be assigned to any open or vacant shift until the next scheduled annual bid.

ARTICLE V

Rates of Pay

Section 5.1 Job Classifications:

Employees in the job classifications set forth in Appendix A to this Agreement shall receive the monthly salary provided for their respective grade and length of service in the job classification. Employees will be increased to the appropriate step upon completion of the required length of service in the classification.

The salary grades and steps applicable to this bargaining unit shall be increased as follows during the term of this agreement:

Effective upon ratification of this agreement by both parties all active employees will receive a lump sum payment of \$1200.00

No step increases in FY 2019: no change in employee's anniversary date: Step increases will resume in FY20

Section 5.2 New, Changed or Misclassifications: Job Audit/Classification Review:

- A. During the term of this Agreement, the Employer may establish new and changed job classifications, and change the duties of existing job classifications, provided that a major alteration of the classification structure shall not be made. The Employer may put the new and changed job classifications or duties into effect after timely notice to the Union, and discuss and set the rate of pay with the Union, using the duties, responsibilities, qualifications and grade levels of the classifications in Appendix A as a guide for determining the new rate. If the parties are unable to agree on the rate of pay, the Employer may put a rate into effect, and the Union, thereafter, may submit any dispute to the grievance procedure.
- B. An employee also may request that his/her position be reclassified, and the request will be reviewed by the employee's Department Head; if the Department Head agrees that the request is reasonable and/or justified, the Department Head will recommend to the Sheriff that this reclassification be included in the forthcoming departmental budget request. The Employer will discuss any reclassifications with the Union prior to implementation.
- C. Within thirty (30) days after the effective date of this Agreement, the parties shall begin regular meetings of a joint committee that shall be established to discuss current job titles and pay grades of bargaining unit employees.

The committee shall begin meeting each year to review Local Union and employee-generated requests for upgrades and reclassifications.

Such review shall include requests for individual desk audits, and sample desk audits to be applied to whole departments. The committee shall devote sufficient time in order to complete its discussions in a timely fashion. In any case, audits agreed upon shall be complete no later than June 1 of each year during this Agreement. During such process, there will be a free exchange of information and the parties will make reasonable attempts to review those requests which appear to have the most merit using objective and fair standards. After the review and analysis is completed, the County will submit the committee's findings to the appropriate departments and elected officials

for their review. The decision as to whether to include any or all of the upgrades and reclassifications in budget requests shall be made using objective and fair standards.

Section 5.3 Classification and Grade Changes:

If an employee is promoted, reclassified, demoted or transferred into another classification through the application of this Agreement, the following rules shall apply:

A. Promotions: An employee who is promoted to a job in a higher salary grade shall be entitled to placement in the step of the new salary grade which will provide a salary increase at least two (2) steps above the salary received at the time the promotion is made, provided that --

1. The new salary does not exceed the maximum established for the grade to which the employee is promoted.
2. The new salary is not below the first step established for the grade to which the employee is promoted.

If the new classification represents a promotion from a classification outside the represented unit to a classification within the represented unit, the employee shall be placed in the lowest step in the progression schedule for the new classification which will provide the employee an increase in pay. In all cases of promotion, the effective date will set a new anniversary date for the purposes of the salary schedule only.

B. Reclassifications:

1. An employee whose job is reclassified to a lower classification shall continue to receive compensation at the same rate received immediately prior to reclassification. Such action shall not change the employee's anniversary date.

If the salary rate received immediately prior to reclassification is less than the last step rate of the lower classification, the employee shall be entitled to further step advancement.

2. An employee whose job is reclassified to a higher classification shall be placed in the first step of the higher grade which provides an increase one (1) step above the salary received at the time of the reclassification. Such action will change the employee's anniversary date. In all cases of reclassification, the employee shall receive at least the first step of the grade to which the position is reclassified.

C. Demotions: The following shall apply to demotions from one grade to another:

1. An employee performing the duties of a job continuously and demoted to a job in a lower salary grade, shall have the salary adjusted in the new job to the same step of the new salary grade as was received in the salary grade of the job from which demoted.
2. An employee promoted to a job in a higher salary grade and subsequently demoted to a job in a lower salary grade, shall have the salary adjusted to the step of the salary grade to which the employee would be entitled had the employee remained in the salary grade from which the employee was promoted.

- D. Transfers: An employee transferring from one department to another in the same job classification and/or grade shall be eligible to receive the salary the employee has been receiving at the time of transfer. Such appointment shall not set a new anniversary date.

Section 5.4 Part-time Employees:

Part-time employees who are compensated from the Extra and Overtime Account shall receive the hourly rate provided for the respective grade and length of service as set forth in Appendix A of this Agreement. Disability and pension benefits for all part-time employees will be determined by the provisions of the County Employees Pension Plan. The hourly rate for part-time employees will equal the first step of the salary grade divided by one hundred seventy-four (174).

Section 5.5 Job Descriptions:

Job descriptions for each position in the bargaining unit shall be maintained in the Employer's offices and shall be given to each current employee upon request and to each new employee when they assume the position. Where possible and available the Employer shall supplement such job description with existing internal job descriptions.

Credit for such prior service shall be established by filing, in the Office of the Comptroller of Cook County, a certificate of such prior service from such former place or places of employment.

Section 8.2 Sick Leave:

- A. All monthly salaried employees, other than seasonal employees, shall be granted sick leave with pay at the rate of one (1) working day for each month of service. Accruals will be carried out in accordance with the bi-weekly payroll system. Employees must be in a pay status for a minimum of five (5) days in a pay period to accrue time in that period. Accrued sick leave will carry over if employees change offices or departments within the County as long as there is no break in service longer than thirty (30) days.

All individuals employed on a part-time work schedule of twenty (20) hours per week or more shall be granted sick leave with pay proportionate to the time worked per month.

- B. Sick leave may be accumulated to equal, but at no time to exceed, one hundred seventy-five (175) working days, at the rate of twelve (12) working days per year. Such employees also may be required to undergo examination by the Employer's physician before returning to work. This practice will not be used in a capricious and discriminatory manner.

For health related absences of less than five (5) consecutive work days, in the case of Vehicle Services and four (4) consecutive work days in the case of Communications, a doctor's or health care provider's statement or proof of illness will not be required except in individual instances where the Sheriff has sufficient reason to suspect that the individual did not have a valid health reason for the absence. If indicated by the nature of a health related absence, examination by the Employer's physician may be required to make sure that the employee is physically fit for return to work.

- E. If, in the opinion of the Sheriff/Designee the health of an employee warrants prolonged absence from duty, the employee will be permitted to combine his/her vacation, sick leave and personal days. Employees will be allowed to use accumulated time due hours in addition to vacation, sick and personal days.
- F. The employee may apply for disability under the rules and regulations established by the Retirement Board.

Duty disability benefits are paid to the employee by the Retirement Board when the employee is disabled while performing work duties.

Benefits amount to seventy-five percent (75%) of the employee's salary at the time of injury, and begin the day after the date the salary stops. Ordinary disability occurs when a person becomes disabled due to any cause, other than injury on the job. An eligible employee who has applied for such disability compensation will be entitled to receive, on the thirty-first (31st) day following disability, fifty percent (50%) of salary, less an amount equal to the sum deducted for all annuity purposes. The first thirty (30) consecutive days of ordinary disability are compensated for only by the use of any accumulated sick pay and/or vacation pay credits unless the employee and the Employer otherwise agree. The employee will not be required to use sick time and/or vacation time for any day of duty disability. All of the provisions of this Section are subject to change in conjunction with changes in State laws.

The Sheriff shall write a letter to the Pension Board requesting that the bargaining unit employees under this contract be covered under IOD or On Duty Injury time wherein the first 30 days during which an employee is away from work shall be paid by the County's time and not the Employee's.

Section 8.4 Life Insurance:

Such leave shall be intended to take care of emergency situations and shall be limited to one (1) month for every full year of continuous employment by the County and/or Cook County Health Facilities, not to exceed one (1) year, except for military service.

An employee desiring a leave of absence shall make written application to his/her immediate supervisor, who will then refer the application to the Sheriff. If approved by the Sheriff the application will then be forwarded to the Cook County Comptroller for appropriate action. The application shall include the purpose for the leave of absence and the dates for which the leave is requested. An employee granted a leave of absence shall be eligible, when such leave expires, to receive the salary and the same or comparable position at the time the leave was granted.

Absence from County service on leave without pay for periods in excess of thirty (30) calendar days, all suspensions, time after layoffs for more than thirty (30) calendar days but less than one (1) year, all absences without leave shall be deducted in computing total continuous service and will effect a change in the anniversary date.

An employee will not earn sick pay or vacation credits while on an unpaid leave of absence. An employee on an unpaid leave of absence except for maternity or paternity leave will be required to pay the cost of the insurance benefits provided in Article VIII in order to keep these benefits in full force and effect during the period of leave. Arrangements for payments of such costs through normal deductions or otherwise must be made with the County's Payroll Office prior to departure on the leave. For the failure to make such arrangements, the Employer may cancel insurance benefits, which will be reinstated upon the employee's return to work, subject to such waiting period and other rules and regulations as may be applicable to the insurance plan.

Section 10.4 Union Leave:

A leave of absence not to exceed one (1) year without pay will be granted to an employee who is elected, delegated or appointed to participate in duly authorized business of the Union which requires absence from the job. Such leave may be extended by mutual written agreement. Employees duly elected as stewards of the Union will be allowed time off, without pay, to attend State, Local and National conferences, conventions and Stewards training

Such leave will normally be limited to eleven (11) working days in each year or as extended in accordance with Cook County Policy on Military Leave.

Section 10.6 Veteran's Conventions

Section 10.7 Approval of Leave:

No request for a leave, as defined in Sections 1 and 4 of this Article will be considered unless approved by the Sheriff/Designee. The Sheriff/Designee may withhold such approval, if, in his/her judgment, such absence from duty at the particular time requested would interfere with the conduct of Employer business.

Section 10.8 Educational Leave:

Upon request, a leave of absence for a period not to exceed one (1) year may be granted to a full-time employee with at least two (2) years of County service, if operational needs allow, in order that the employee may attend a recognized college, university, trade or technical school, or high school, provided that the course of instruction is logically related to the employee's employment opportunities with the County such leave shall not be arbitrarily or capriciously denied. Such leave may be extended for good cause and in accordance with the operational needs of the County.

The Parties shall comply with the School Visitation Rights Act, 820 ILCS 147/1 *et seq.* (as amended).

ARTICLE XI Grievance Procedure

Section 11.1 Policy:

The purpose of this Article is to specify the method by which employees may present grievances and seek redress. This policy shall apply to all bargaining unit employees without discrimination as to age, sex, marital status, race, creed, color, national origin, disability, political affiliation or political activity. All employees shall have right to file a grievance and shall be assured freedom from coercion, restraint, or reprisal. The term "Employer" as read throughout this procedure refers to both the County and the Sheriff as "Joint Employers." It is recognized that because a joint employer relationship exists, certain grievances are appropriately answered by the elected official and others by County Administration, depending on the subject matter of the grievance. The Employer is committed to fair employment practices and recognizes its responsibility to review and make reasonable effort to resolve employees' grievances. An employee is encouraged first to discuss the problem with their immediate supervisor.

Section 11.2 Definition:

A grievance is a difference between an employee or the Union and the Employers with respect to the interpretation or application of, or compliance with, the agreed upon provisions of the Agreement, the Employer's rules, and regulations or disciplinary action. All grievances shall be in writing and contain a statement of the facts, the provision(s) of this Agreement which the Employers is alleged to have violated, and the relief requested. It is recognized that because a joint employer relationship exists in this Agreement certain grievances are appropriately answered by the Sheriff and others by the Employer, depending on the subject of the grievance. Failure to provide all of the above shall not be grounds for denial of the grievance. A dispute between an employee (or his/her covered dependent) and the processor of claims shall not be subject to the grievance procedure provided for in this Agreement. Employees shall continue to be afforded an opportunity to present appeals of such insurance disputes to the County in person and may have Labor Council representation at such proceedings. The County/Sheriff will endeavor to resolve such disputes with the processor of claims.

Section 11.3 Representation:

Only the aggrieved employee(s) a Unit Steward and/or representatives of the Union may present grievances. Employees may take up grievances through Steps One (1) to Two (2) either on their own and individually or with a Unit Steward or Labor Council Representative. If an employee takes up a grievance without a Unit Steward or Labor Council Representative, any resolution of the grievance shall be consistent with this Agreement and the a Unit Steward or Labor Council representative shall have the right to be present at any grievance meeting. A grievance relating to all or a substantial number of employees or to the Union's own interests or rights with the Employer's may be initiated at Step One (1) by a Unit Steward or Labor Council Representative. Grievances may be initiated at Step Two (2) by mutual agreement between the Union and the Employers'. If an investigatory meeting or interview is conducted, any employee who is the subject of or part of the investigation/interview

reasonably believes that they may receive disciplinary action, up to and including termination as a result of the investigatory meeting or interview, shall be entitled to Labor Council representation upon request. Such request will not unduly delay the investigatory meeting or interview.

Duly authorized Labor Council representatives will be permitted at reasonable times to enter the appropriate County facility for purposes of handling and processing grievances, addressing roll-calls, contract negotiations, management meetings, or observing conditions under which employees are working. These Labor Council representatives will be identified to the Department Director or designee in a manner suitable to the Employer and on each occasion, will first secure the approval of the Department Director or designee to enter and conduct their business so as not to interfere with the operation of the Employer. The Labor Council will not abuse this privilege, and such right of entry shall at all-time be subject to general Sheriff Department rules applicable to non-employees. Labor Council representatives or Unit Stewards shall be allowed to request meeting space for Union matters at the various facilities, during non-work hours, subject to availability and the approval of the Department Director. Upon such request, the Department Director or designee will endeavor to find appropriate space. The Employer may, but is not required to, conduct an investigatory meeting with the employee who is the subject of the investigation. If an investigatory meeting is conducted, any employee who is the subject of the investigation or reasonably believes that he/she may receive disciplinary action as a result of such meeting shall be entitled to Labor Council representation upon request. The Employer will provide sufficient amount of time for the employee to secure the Labor Council's representation, and such will not unduly delay the investigatory meeting/interview.

Section 11.4 Grievance Procedure Steps:

The steps and time limits as provided in the Employer's Grievance Procedure are as follows:

Step	Submission Time Limit this step (calendar days)	To Whom Submitted	Time Limits Meeting (<u>calendar days</u>)	<u>Written Response (calendar days)</u>
1	30 days	Department Head	10 days	10 days
2	10 days	Sheriff/Designee	30 days	30 days
3	30 days	Impartial Third Party	30 days	30 days

Section 11.5 Time Limits:

The initial time limit for presenting a grievance shall be thirty (30) calendar days and the same limit shall apply to hearings and decisions at Step Three (3). Time limits may be extended by mutual agreement in writing or via e-mail between the employee and/or the Union and the Employer. For errors in pay, the time period shall be six (6) months.

There shall be strict adherence to the time limits described within the grievance procedure by both Employer and employee and/or Union. Time extensions may be granted upon mutual agreement and shall be in writing or via e-mail.

If the employer fails to respond within the time limits, the grievant and/or the Union shall have the right to advance the grievance to the next step of the grievance procedure up to and including arbitration.

Section 11.6 Stewards:

The Union will advise the Employer in writing of the names of the Chief Steward (Unit President) and/or Stewards and alternates for the locations and shall notify the Director promptly of any changes upon the execution of this Agreement. Upon obtaining approval from their supervisor before leaving their work assignment or area, the Chief Steward (Unit President) or Steward or in cases of new Steward orientation, the Chief Steward (Unit President) and/or Stewards will be permitted to attend labor-management meetings, contract negotiations, appeal hearings and grievance hearings during normal hours without loss of pay, provided that such activity shall not exceed a reasonable period of time, and provided that the operations of the Employer are not adversely affected. In all cases the primary mission of the Employer and proper manpower considerations shall be controlling. Only one (1) Vehicle Service Man from each facility will act as a Steward.

The Employer will grant the Union an opportunity during the orientation of new employees to present the benefits of Union membership, at which time the Union may give such employees a copy of this Agreement. If such opportunity is not offered, the Steward will provide Union orientation on work time. Such orientation will be scheduled at a time and place mutually agreeable to the Steward, Employee and Supervisor involved.

Section 11.7 Impartial Arbitration:

If the Union is not satisfied with the Step Two (2) answer, it may within thirty (30) calendar days after receipt of the Step Two (2) written response, or no response, submit in writing to the Sheriff notice that the grievance will be submitted to impartial arbitration. The Employer and the Union shall agree to a list of arbitrators who will agree to schedule the hearing within fourteen (14) calendar days of the date of notification of selection. Unless mutually agreed otherwise, the parties mutually agree to waive post-hearing briefs to expedite the decision by the Arbitrator. Only the Labor Council may request arbitration under this Agreement. The Labor Council and the County or Sheriff will make arrangements with the Arbitrator to hear and decide the grievance without unreasonable delay. The decision of the Arbitrator shall be binding. If the two (2) parties fail to reach agreement on an Arbitrator within ten (10) days, the Sheriff or County and Union may request the Local Labor Relations Board or the Federal Mediation and Conciliation Service to provide a panel of arbitrators. Each of the two (2) parties will confer within seven (7) days of receipt of the panel to alternately strike one (1) name at a time from the panel until only one (1) shall remain. The order of striking shall be determined by coin toss. The remaining name shall be the Arbitrator. The Labor Council and the Sheriff or County will make arrangements with the Arbitrator to hear and decide the grievance without unreasonable delay. The decision of the Arbitrator shall be binding.

Expenses for the Arbitrator's services and the expenses which are common to both parties to the arbitration shall be borne equally by the County or Sheriff and the Labor Council. Each party to an arbitration proceeding shall be responsible for compensating its own representatives and witnesses.

The Arbitrator shall not amend, modify, nullify, ignore or add to the provisions of this Agreement. The issue or issues to be decided will be limited to those presented to the Arbitrator in writing by the Sheriff or County and the Union. His/her decision must be based solely upon his/her interpretation of the meaning or application of the express relevant language, or in compliance with the agreed upon provisions of the Agreement. All hearings will be held as close to the grievant's worksite as is practicable. The Employer will, upon reasonable notice from the Labor Council, release from duty any employees requested by the Labor Council representatives or witnesses.

The Labor Council and the County shall meet within thirty (30) days after the effective date of this Agreement for the purpose of selecting a permanent panel of arbitrators. The arbitrators shall be selected on a rotating basis.

Either party shall have the authority to strike an arbitrator from the permanent panel at any time. The struck arbitrator will proceed on the cases currently assigned, but will not receive any new case assignments. In the event that an arbitrator is struck from the panel, the parties shall meet as soon as possible to choose a mutually agreed upon replacement. Nothing herein shall prevent the parties, by mutual agreement, from selecting an arbitrator from outside the panel. Absent such mutual agreement, the arbitrator shall be selected from the panel in accordance with the above procedure. Written reprimands may be processed at Step One (1) of the Grievance Process.

Section 11.8 Expedited Arbitration (Discipline Only):

The parties may mutually agree that a grievance concerning discipline only, shall be submitted to expedited arbitration. If the parties agree to expedited arbitration, the following provisions of this paragraph shall apply. Immediately upon notification of the designated arbitrator, the parties shall arrange a place and date to conduct a hearing within a period of no more than thirty (30) calendar days, unless the parties agree to a longer period. If the designated arbitrator is not available to conduct a hearing within the thirty (30) calendar days and the parties do not otherwise agree to a longer period, the next panel member in the rotation shall be notified until an available arbitrator is obtained. Nothing herein precludes multiple cases being heard on the same day before the same arbitrator. The hearing shall be conducted under the following procedures:

- The hearing shall be informal;
- Each side will have a maximum of three (3) hours to present their case;
- No briefs shall be filed, or transcripts made;
- There shall be no formal rules of evidence; however, the arbitrator shall only rely on credible, supported, and documented relevant evidence;
- The hearing shall normally be completed within one (1) day, unless both parties agree to extend the period;
- The Arbitrator may issue a bench decision at the hearing, but in any event, shall render a decision within seven (7) calendar days after the conclusion of the hearing. Such decision shall be based on the evidence before the Arbitrator and shall include a brief written explanation of the basis for such conclusion. Any Arbitrator who issues a bench decision shall furnish a written copy of the award to the parties within seven (7) calendar days of the close of the hearing;
- The decision of the Arbitrator shall be final and binding.

ARTICLE XII Continuity of Operation

Section 12.1 No Strike:

The Union will not cause or permit its members to cause, and will not sanction in any way, any work stoppage, strike, picketing or slowdown of any kind or for any reason, or the honoring of any picket line or other curtailment, restriction or interference with any of the Employer's functions or operations; and no employee will participate in any such activities during the term of this Agreement or any extension thereof.

Section 12.2 Union Responsibility:

Should any activity prescribed in Section 1 of this Article occur, which the Union has or has not sanctioned, the Union shall immediately:

- (a) publicly disavow such action by the employees or other persons involved;
- (b) advise the Employer in writing that such action has not been caused or sanctioned by the Union;
- (c) notify the employees stating that it disapproves of such action instructing all employees to cease such action and return to work immediately;
- (d) take such other steps as are reasonably appropriate to bring about observance of the provisions of this Article, including compliance with reasonable requests of the Employer to accomplish this end.

Section 12.3 Discharge of Violators:

The Employer shall have the right to discharge or otherwise discipline any or all employees who violate any of the provisions of this Article. In such event, the employee or employees, or the Union in their behalf, shall have no recourse to the grievance procedure, except for the sole purpose of determining whether an employee or employees participated in the action prohibited by this Article. If it is determined that an employee did so participate, the disciplinary action taken by the Employer may not be disturbed.

Section 12.4 No Lock-Out:

The Employer agrees that it will not lock out its employees during the term of this Agreement or any extension thereof.

Section 12.5 Reservation of Rights:

In the event of any violation of this Article by the Union or the Employer, the offended party may pursue any legal or equitable remedy otherwise available, and it will not be a condition precedent to the pursuit of any judicial remedy that any grievance procedure provided in this Agreement is first exhausted.

ARTICLE XIII Tuition and Reimbursement

Section 13.1 Education and Seminars:

Employees who attend approved seminars which are related to their job shall receive pay for the hours they otherwise would have worked. If all employees wishing to attend a particular seminar are not able to attend, selection shall be made on the basis of seniority.

Employees who desire to take a course or courses of instruction not offered by a City or suburban junior college shall submit their request through the Union to the Director of Department of Human Resources of the County.

The County agrees to allocate funds for education purposes in each year of this Agreement to be made available to all Union bargaining unit employees. The amount allocated shall be an aggregate total of ten thousand dollars (\$10,000) for Union bargaining units. Employee requests for such funds shall be for reimbursement for the costs of courses offered through any certified educational institution, including community colleges, continuing adult

education, and other training or technical institutions. Such course work shall be employment related. An employee may request funds up to an amount no greater than one hundred fifty dollars (\$150) in a fiscal year. Approval for reimbursement shall be offered on an equitable basis.

Note: This is for courses which are not required as a condition of employment by the employer. Example: This does not cover the special 911 training which shall occur. 911 training shall be fully at the Employer's expense.

Section 13.2 Posting of Openings:

All courses and training programs presently available through the County will be posted via electronic means, where available. Where such electronic posting is not available, postings will be on all bulletin boards where notices to employees are normally posted. These postings will be for a period of five (5) working days during the period when each course or program is open for application.

Section 13.3 Special Training-Telecommunications:

No employee shall be discriminated against on the basis of race, color, sex, age, religion, disability, national origin, ancestry, sexual orientation, marital status, parental status, military discharge status, political affiliation and/or beliefs, or activity or non-activity on behalf of the Union or any other protected status. The County and the Union acknowledge that the County of Cook has adopted and implemented a human rights ordinance which will be complied with. Complaints or charges of discrimination shall not be subject to the grievance and arbitration Article 11 of this Labor Agreement.

Section 14.2 Safety, Work Environment and Health:

- A. General. The Employers shall endeavor to provide a safe and healthful work environment for all employees. The Employers agree to comply with all applicable state and federal laws. The parties shall share information adequately and fully in order to assure that health and safety issues are adequately addressed. Where there is a serious threat to the health and safety of an employee or employees and the situation necessitates a speedy resolution, the issue shall be immediately referred to the appropriate committee as set forth in Section D below.
- B. Health and Safety Committee. The Employers and Union shall establish a joint labor/management Health and Safety Committee. The parties shall also establish joint subcommittees, as needed, by work location. Issues of a County wide nature, and those not resolved in the subcommittees, shall be discussed in full committee. The full committee and the subcommittees shall meet at least quarterly. Additional meetings shall be scheduled as needed to assure that issues are adequately addressed.

The Committee and subcommittees shall meet for the purpose of identifying and correcting unsafe or unhealthy working conditions, including inadequate ventilation, ergonomically incorrect equipment, unsanitary conditions, inadequate personal security for employees or inadequate lighting. Within a reasonable period of time after the effective date of this agreement, the parties agree to meet to establish the composition and operation of the committee(s).

- C. Video Display Terminals. The Employer and the Union will attempt to keep current with monitoring studies and reports on the effects, if any, of video display terminals and their effect on the health and safety of the operators.

The Employers agree that employees who operate VDT's will be granted fifteen (15) minute breaks away from the screen in the first and second half of their shifts. For those employees who already receive two (2) fifteen (15) minute breaks, this provision is not in addition to those breaks currently granted. Pregnant employees and employees who are nursing and who regularly operate VDT's may request an adjustment, temporary transfer, or other change in their assignment, if such assignment or change can reasonably be made and is consistent with the Employer's operating needs. Once the employee is no longer pregnant or nursing, the employee shall be allowed to return to her original position if available.

- D. Communicable Diseases. The Employer and the Union are committed to taking reasonable necessary steps to limit and/or prevent the spread of communicable diseases in the workplace. Therefore, generally, the County agrees as follows:

2. To make professional medical counseling available to any employee who has reason to believe that she/he has become infected with TB, HI, or Hepatitis B during the course of his/her employment. The Employer shall make available to the employee who has occupational exposure during the course of his/her employment to blood or body substances or airborne particles, a Hepatitis B vaccine, and TB vaccine at no cost to the employee.

Specific concerns related to the health and safety of employees may be referred to the applicable Health and Safety Committee or Sub-Committee.

Section 14.3 Bulletin Boards:

The Employer will make bulletin boards available for the use of the Union in non-public locations. The Union will be permitted to have posted on these bulletin boards notices of a non-controversial nature, and shall submit a copy of them to the Sheriff or designee for approval, and such approval shall not be unreasonably denied. There shall be no distribution or posting by employees of advertising or political material, notices or other kinds of literature on the Employer's property other than herein provided.

Section 14.4 Partial Invalidity:

In the event any of the provisions of this Agreement shall be or become invalid or unenforceable by reason of any Federal or State law or local ordinance now existing or hereinafter enacted, such invalidity or unenforceability

shall not affect the remainder of the provisions hereof. The parties agree to meet and adopt revised provisions which would be in conformity with the law.

Section 14.5 Sub-Contracting:

It is the policy of the Employer to continue to utilize its employees to perform work they are qualified to perform. The Employer may, however, subcontract where circumstances warrant.

The Employer will advise the Union at least five (5) months in advance when such changes are contemplated and will discuss such contemplated changes with the Union, pursuant to the Illinois Public Labor Relations Act of 1984. The Employer will work with the Union in making every reasonable effort to place adversely affected employees into other bargaining unit positions.

Section 14.6 Personnel Files:

Upon written request to the Department Personnel Office, an employee may inspect his/her personnel file at any time mutually acceptable to the employee and Employer. Section 14.7 Discipline:

The Employer shall not demote, suspend, discharge or take any disciplinary action against an employee without just cause. Employees who are to be or may be disciplined are entitled to Union Representation exclusively in any disciplinary proceedings. The Labor Council and the Employers agree that

discipline should be timely, progressive and accompanied by counseling where appropriate. A written reprimand or suspension of three (3) days or less (as a result of a summary punishment action request from SPAR) will be disregarded and removed from an employee's personnel file after twelve (12) months from the issuance of the discipline SPAR, provided that the employee has received no other written reprimand or suspension for a similar offense during the twelve (12) month period. If there is another similar written reprimand or suspension during this twelve (12) month time period, then the discipline SPAR will be removed eighteen (18) months after the employee's last reprimand or suspension.

Complimentary documentation will be disregarded and removed from the employee's personnel file eighteen (18) months from the subject incident and returned to the employee upon the affected employee's written request.

To provide a mechanism whereby disciplinary action will be initiated in a series of progressive steps, depending upon the severity of the rule's infraction. Discipline is intended to be corrective and should follow a series of timely and progressive steps to change the Employee's unacceptable conduct or behavior. In general, discipline will include the following steps:

1. Written reprimand(s)
2. Suspension(s)
3. Discharge

Sick time is not to be used by Employees as vacation or simply to take time off with pay, but employees shall not be disciplined for the bona fide use of sick time. The Employer shall keep the Union informed of employees suspected of abusing sick time and the Union will cooperate with the Employer in counseling individuals in an effort to minimize such abuse. Excessive absences from work when not documented as a major illness, disability or injury on duty are unacceptable. This includes both misuse and abuse of medical time and dock time. Disciplinary action may begin or advance to any step dependent upon the nature of the infraction. Once disciplinary action has been taken against an employee, such disciplinary action on the particular charge cannot be increased in severity, unless additional facts are presented that increase the severity of the offense. Should it be necessary to reprimand an employee, management will attempt to administer such reprimand so as not to unduly cause embarrassment to the Employee.

The level of disciplinary action and/or degree shall be appropriate to the infraction including, if appropriate, consideration of the following:

- Documentation of employee's past conduct;
- Whether or not the employee was adequately warned and counseled of the consequences of his/her conduct;
- Length of service;

If the allegation under investigation indicates a recommendation for separation is probable against the employee, the employee will be advised of their rights of representation and/or if the allegation indicates criminal prosecution is probable against the employee, the employee will be given the constitutional rights concerning the Fourth (4th), Fifth (5th), and Fourteenth (14th) Amendments.
- I. An employee under interrogation shall have the right to be represented by a representative of the Union or to have representation by Counsel of his/her choice and to have that Counsel of representative present at all times during the interrogation. The Employer may take all steps necessary to comply with the ADA. Any such steps which might conflict with the terms of this Agreement shall be discussed with the Union prior to implementation. The parties shall cooperate in resolving potential conflicts between the Employer's obligation under the ADA and the rights of the Union. Neither party shall unreasonably withhold its consent to the reasonable accommodation of an employee. The Employer agrees that it shall not apply this section in a discriminatory, arbitrary or capricious manner.

Nothing in this section shall require the employer to take any action which would violate the ADA or any other applicable statutes. Information obtained regarding the medical condition or history of an employee shall be treated in a confidential manner.

This policy however does not require the Employer to fill vacancies which they desire to keep vacant.
2. Bargaining unit work that constitutes the normal duties and responsibilities of regular employees on current payroll will not be removed and reassigned to welfare recipients and participants in welfare to work initiatives. Welfare recipients and participants in welfare to work initiatives will be assigned work in a manner that will not jeopardize the job classification of the current employees.
